The Department of Fish and Game stocks trout from December-April. Catfish are stocked during May-November. These lakes may also contain largemouth bass, bluegill, sunfish, crappie and/or carp.

Report water polluters or poachers to park rangers, wardens or by calling CalTIP at 1 (800) 952-5400.

This program is supported through a special reueral excise tax on the sales of fishing tackle and motorboat fuel to improve your fishing and boating opportunity
